Biography

LARRY ENNETT joined YOUNG & Associates as a Senior Consultant in 2019. Larry brings with him extensive professional experience in cost estimation, project management, negotiation, and impeccable client satisfaction. Before joining YOUNG & Associates, he amassed over 30 years of experience in materials and process development in the chemicals industry, including designing, cost estimating, and project installations, as well as international business management. Larry has a broad set of skills and technical knowledge that will allow him to help solve client problems and meet their needs. He possesses exceptional communication skills with attention to detail, problem-solving, all while meeting deadlines.
