## **Biography**

LARRY ENNETT joined YA Group as a Senior Consultant in 2019. Larry brings with him extensive professional experience in cost estimation, project management, negotiation, and impeccable client satisfaction. Before joining YA Group, he amassed over 30 years of experience in materials and process development in the chemicals industry, including designing, cost estimating, and project installations, as well as international business management. Larry has a broad set of skills and technical knowledge that will allow him to help solve client problems and meet their needs. He possesses exceptional communication skills with attention to detail, problem-solving, all while meeting deadlines.
