Biography

BRADLEY NYENBRINK joined YOUNG & Associates as a Senior Consultant in 2019. Bradley has been involved with insurance restoration projects for over twenty-four years. They have ranged from residential homes, multi-unit dwellings, senior living facilities, commercial buildings, schools, and industrial complexes. With over 50 million dollars in client-approved estimates for restoration and insurance companies, he has gained extensive working knowledge of restoration procedures and processes, adjuster and client relations, as well as estimating, cost analysis, and project management. Bradley has many years of experience consulting for contractors, insurance companies, and direct clients, specializing in estimating for mitigation and reconstruction of large loss fire and water damages.
