Biography

PETER PADILLA joined YOUNG & Associates in 2004. With over 22 years of experience in commercial construction and over 10 years in commercial real estate, Peter has accumulated experience in commercial and industrial property sub-sectors including multi-residential, hospitality, senior care, retail, school, office, industrial, and special facilities. Peter's credentials, knowledge, and analytical abilities allow him to develop multi-disciplined solutions in order to resolve complex problems impacting a site from the emergency through the reconstruction phase. From single buildings to multi-complex and multi-site projects, Peter has been a lead consultant responsible for damage assessment, expedited services, scope development, cost estimating, and replacement cost analysis. He is bilingual and has the U.S, the Caribbean, and international experience. Peter is knowledgeable in all aspects of water, fire, and wind damage. He is also a Haag certified roofing inspector utilized in pre-litigation, litigation, and appraisals.
