Biography

DAVID SCHIFANI joined YA Group in 2004. David started in the industrial and construction industry in the mid-'80s, working as a fabricator, estimator, contractor, and manager on residential, commercial, and industrial projects in the Southeast. As a Partner with YA Group, David has consulted on a wide variety of commercial, industrial, hospitality, medical, and state-owned losses throughout the United States. David has also completed additional certifications to bolster his consulting expertise, including Xactimate Estimating Course, Lead Awareness Training, and Asbestos Awareness Training.
