Biography

Todd Spear joined Young & Associates in 2022 as a Fire Consultant with the YA Investigative Services team. His impressive background includes more than 35 years of combined public fire service, fire investigation, law enforcement, fire inspection, fire code enforcement, and management. He has continued in the private sector since 2011 in fire investigation and forensic fire code consulting. Todd is a licensed and certified investigator with a demonstrated history of working in the forensic investigation industry. He has conducted numerous fire investigations for insurance carriers and law firms. Todd has the expertise and professionalism to ensure each assignment is completed in a thorough, timely, and well documented manner, with findings clearly communicated and prepared for potential litigation.
