## Biography

GERRIT VANDERHAM joined YOUNG & Associates as a Senior Consultant in 2017. Gerrit has experience overseeing all phases of insurance claims for mitigation and reconstruction of damage caused by water, fire, wind, and mold. Past projects include inspection and damage assessment of residential and commercial properties including water removal and extraction, drying and dehumidification, restoration, cleaning, sanitizing, and construction repair. Gerrit also has experience in estimating construction repairs including residential and commercial properties using Xactimate and Sketch as well as being skilled in project development including the scope of work, photo documentation, material procurement, and equipment allocation and distribution.
