Nashville, TN

Biography

Currey Williams joined YOUNG & Associates in 2020. Currey obtained her Contractor's license in 2007 upon graduating from Samford University. She worked in residential new construction for four years before transitioning to luxury residential remodeling in Nashville, TN. In her time at YA, Currey has focused on estimating, complex estimate analysis and reconciliation, appraisal writing, and organization and preparation of files during the litigation process. Currey has worked on projects ranging from single-family home fires to multi-building hurricane and tornado claims in the \$7 million range.
