Biography

KEVIN YANDELL joined YOUNG & Associates in 2019 as a Senior Consultant. He has worked in the insurance industry since 2003, emphasizing claims management and, more specifically, large risk pools for Texas county governments. Kevin's many years of experience with various public, commercial, and residential losses throughout Texas make him a valuable asset in any loss. He has extensive experience and understanding of damage assessment and repair estimating, coverage documents, reinsurance contracts, and the public procurement process, making his understanding of the need for detail and the urgency required when handling claims. He is proficient in coordinating and estimating large losses and applies a unique investigatory approach to all his projects while demonstrating exceptional attention to detail.
