Biography

Orestes Gonzalez Malonet is a skilled, bilingual Senior Building Consultant with 18+ years of experience in property management, preservation, and mortgage loan servicing. He excels in estimating property damage and repair costs using Xactimate software and other tools. Orestes joined YOUNG and Associates in 2020, quickly becoming an expert in coordinating large-scale restoration projects for commercial and residential clients. His IICRC Water Restoration Technician (WRT) certification enhances his understanding of construction and restoration processes. Dedicated to ensuring fair insurance compensation, Orestes collaborates with adjusters, contractors, and industry professionals to uphold the highest standards in every restoration and reconstruction project. With a focus on continuous growth, Orestes mastered handling large Commercial Cat Losses at YOUNG and Associates, making him one of the industry's most versatile professionals.

His impressive background includes pivotal roles like Vendor Management Executive at Northsight Management and FHA, FNMA, and GSE Specialist at MM Mortgage Services/MCS, alongside a decade of experience in commercial and residential Property Management. Orestes Gonzalez Malonet's exceptional blend of education, hands-on experience, and passion for delivering top-notch service makes him an invaluable asset in the realm of building consultancy.
